State-ICA-Defense Message for Ambassador, USOM Director, & MAAG Chief.

Senate Special Committee studying the Mutual Security Program is retaining distinguished citizens as consultants to make field studies in various areas. Mr. James Minotto (see CA-3981, of November 8) has been designated to make this study in Central America and the Caribbean areas. He will visit Cuba, Haiti, Dominican Republic, Panama, Costa Rica, Nicaragua, Honduras, El Salvador, Guatemala, and Mexico. He will be accompanied by Mr. Harold Lamar of the Library of Congress, who is attached to the Senate Foreign Relations staff for this study and will act as Mr. Minotto's assistant. Mr. Minotto will submit a report to the Committee on the fundamental aims of American foreign policy in the area, the extent to which these aims are promoted by the Mutual Security Program, and his recommendations for changes, if any. He will be concerned with all substantive and administrative aspects of both the military and non-military programs. Mr. Minotto will be given a short general briefing in Washington by ARA, ICA, and Defense. It is contemplated that he will be provided with all necessary details in the field. He will not carry classified documents with him.

The Executive Branch regards the Senate study as highly important and wishes the utmost cooperation with the consultants. All Country Teams are requested to provide the fullest assistance in their studies and to make appropriate reports to the Department, Defense, and ICA -- see ICATO Circulars 1A and 1B. Missions should meet and assist, arrange and confirm accommodations, plan local briefings, visits with key officials, and field surveys of major mutual security program projects. Mr. Minotto also wishes to have the opportunity for discussions with U.S. newsmen, missionaries, businessmen, etc., individually or in small groups to obtain points of view from non-official observers. (see note on page 3)

All Country Teams are requested to prepare tentative schedules. Havana is requested to send its proposed schedule to the Department no later than November 13. Other posts are requested to send their proposed schedules to Havana for Mr. Minotto's approval.
